

COMPLETE COMPUTING, INC.

Adobe® Acrobat® 9.0 Pro Combo

Course length: 1.5 days

Course Description

You may have used different applications to create documents for your own reference. However, you may now be required to share your files electronically by email, over a network, or on the web, so that recipients can view, print, and offer feedback. In this course, you will use Adobe® Acrobat® 9.0 to make your information more portable, accessible, and useful to meet the needs of your target audience. In the Level 2 course, you will use Adobe® Acrobat® 9.0 Pro to enhance and control PDF content accessibility, and customize PDF documents for interactive use online

Prerequisites

Basic experience with computers and common Microsoft applications, such as word processing, spreadsheet, and web browser applications.

Course Objective

Upon successful completion of this course, students will be able to:

- access information in a PDF document.
- create PDF documents.
- navigate to specific content in a PDF document.
- modify PDF documents.
- work with multiple PDF documents.
- review a PDF document.
- validate a PDF document.
- enhance the utility and accessibility of PDF documents.
- create interactive PDF forms using Adobe LiveCycle Designer.
